Item 5.07 Submission of Matters to a Vote of Security Holders.

On June 30, 2020, Mylan N.V. (“Mylan” or the “Company”) held its annual general meeting of shareholders (the “AGM”) to, among other things, (i) appoint two executive directors and eleven non-executive directors, each for a term ending immediately after the next annual general meeting held after their appointment and (ii) approve, on an advisory basis, the compensation of the named executive officers of the Company. The certified results of the matters voted on at the AGM were disclosed in Mylan’s Current Report on Form 8-K filed with the Securities and Exchange Commission (“SEC”) on July 2, 2020 (the “AGM 8-K”).

As disclosed in Amendment No. 1 to the AGM 8-K filed with the SEC on July 24, 2020, based on subsequent discussions with a significant shareholder of the Company, Mylan learned that, due to an error in transmission, that shareholder’s final voting instructions with respect to the voting items set forth above, which would have increased shareholder support for those voting items, were submitted but not received prior to the specified cut-off time and therefore not reflected in the certified results. The shareholder’s final voting instructions with respect to the voting items set forth above are now reflected in its Form N-PXs.

In light of the above and in accordance with applicable Dutch law, the Company has established the final and official vote tally and is filing this Amendment No. 2 to the AGM 8-K to amend the certified results of the matters set forth below to reflect that final and official vote tally. The remaining certified results as disclosed in the AGM 8-K remain unchanged.

Proposal No. 1 - Appointment of two executive directors and eleven non-executive directors, each for a term ending immediately after the next annual general meeting held after their appointment:
