## **Mylan One of First to Launch Generic Version of Namenda® Tablets**

### **- Company awarded 180 days shared marketing exclusivity -**

HERTFORDSHIRE, England and PITTSBURGH, July 14, 2015 /PRNewswire/ -- Mylan N.V. (Nasdaq: MYL) today announced the U.S. launch of Memantine Hydrochloride Tablets USP, 5 mg and 10 mg, which is the generic version of Forest's Namenda® Tablets. Mylan received final approval from the U.S. Food and Drug Administration (FDA) for its Abbreviated New Drug Application (ANDA) for this product, which is indicated for the treatment of moderate to severe dementia of the Alzheimer's type.

Memantine Hydrochloride Tablets USP, 5 mg and 10 mg, had U.S. sales of approximately \$1.4 billion for the 12 months ending March 31, 2015, according to IMS Health. Mylan was one of the first ANDA applicants to submit a substantially complete ANDA with a paragraph IV certification and has therefore been granted 180 days of shared generic drug marketing exclusivity.

Currently, Mylan has 270 ANDAs pending FDA approval representing \$107.2 billion in annual brand sales, according to IMS Health. Forty-seven of these pending ANDAs are potential first-to-file opportunities, representing \$33.3 billion in annual brand sales, for the 12 months ending December 31, 2014, according to IMS Health.

Mylan is a global pharmaceutical company committed to setting new standards in healthcare. Working together around the world to provide 7 billion people access to high quality medicine, we innovate to satisfy unmet needs; make reliability and service excellence a habit; do what's right, not what's easy; and impact the future through passionate global leadership. We offer a growing portfolio of around 1,400 generic pharmaceuticals and several brand medications. In addition, we offer a wide range of antiretroviral therapies, upon which nearly 50% of HIV/AIDS patients in developing countries depend. We also operate one of the largest active pharmaceutical ingredient manufacturers and currently market products in about 145 countries and territories. Our workforce of approximately 30,000 people is dedicated to creating better health for a better world, one person at a time. Learn more at [mylan.com](http://mylan.com).
