This press release includes statements that constitute "forward-looking statements," including with regard to the Company's payment of dividends. These statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Because such statements inherently involve risks and uncertainties, actual future results may differ materially from those expressed or implied by such forward-looking statements. Factors that could cause or contribute to such differences include, but are not limited to: a business decision by the Company to change its dividend program; a decline in the price of the Company's stock due to market conditions or other matters outside of the Company's control; the Company's ability to successfully develop, license or otherwise acquire and introduce new products on a timely basis in relation to competing product introductions; the Company's exposure to lawsuits and contingencies associated with its business; other uncertainties and matters beyond the control of management, which could affect the Company's net income; and the other risks detailed in the Company's periodic filings with the Securities and Exchange Commission. The Company undertakes no obligation to update these statements for revisions or changes after the date of this release.
